Your Financial Support is Needed to Keep the Center Open!

The Pride Community Center has had an exciting year thanks to great community support! We hosted many enjoyable parties, such as Show Bois in February and May Lei in May. Then, of course, there was the fabulous Hairball 12 in August and Pride Days 2009 in October.

In addition to these special events, the Pride Center is home to several monthly activities. The Women's Dinner & a Movie, Bingo, Gay Movie Night, and Women's Yoga, which is part of the Lesbian Health Project, are well-attended and lots of fun. There are discussion groups for GLBT Youth and the Transgender community, as well as a "Free to Be" AA group that meets weekly.

Many local organizations use our facility for monthly meetings or events: National Organization for Women, Human Rights Council, Planned Parenthood, and Gainesville Area AIDS Project, to name a few.

Pride Community Center of North Central Florida continues to be an extremely important resource for this area and we are quite excited about everything the Center has to offer. However, providing resources and creating successful programs takes money. **The Center is completely supported by the people of this community and cannot stay open without long-term committed support.** We hope that you can make a special donation at this time to help support your center.

If you have any questions about the Community Center, please feel free to e-mail us at pridectr@bellsouth.net or call the Center at 352-377-8915. For more information, please check out our website at www.gainesvillepride.org.
